EXPLORE

What's Possible

Revolutionizing PBF Part Removal

**Patent Pending*

Indium Corporation introduces the 3D EZ Release™ System and its 3D EZ Release™ Print Plate:

- Simply print a metal part on the 3D EZ Release™ print plate and release the part in seconds
- No EDM wire cutting or other cutting saw is needed to remove the part from the build plate
- Separation is achieved on a hot plate or in a standard oven set to 200°C
- Standard size for the 3D EZ Release™ plate is 3.5"—custom sizes, and shapes are available upon request
